The Organization has evaluated its tax positions for the open tax years to the current fiscal year. As of current fiscal year end, the Organization has determined that there are no material uncertain tax positions that require recognition or disclosure in the financial statements or which may have an effect on its tax exempt status nor is material change to uncertain tax positions anticipated during the twelve months following its current fiscal year end.

FASB ASC No. 740 also provides guidance on derecognition of income tax assets and liabilities, classification of current and deferred income tax assets and liabilities, accounting for interest and penalties associated with tax positions, accounting for income taxes in interim periods and income tax disclosures. As of the current fiscal year end, the Organization had no interest or penalties recognized in the statement of financial position or statement of activities.
