Submit **Earth Day** Images to the Campus Sustainability Hub

In honor of Earth Day, snap a photo to capture your sustainability impacts and share it with the AASHE community. [Submit a Photograph](#) by May 1, 2024!

Ideal images:

- Showcase Earth Day programming at your institution, or sustainability-related individual actions by higher education staff or students.
- Demonstrate diversity and inclusion by including Black, Indigenous and/or People of Color (BIPOC), and/or diversity in gender, age, ability or other areas.
- Have a resolution of 300 dpi at around 8"x10" in size.

Instructions:

- Log in to the Campus Sustainability Hub and go to the [Submit a Photograph](#) page.
- Upload your image(s), add a title and brief description of the activity, select your institution name from the "Organization(s)" dropdown and choose the most appropriate sustainability topic(s).
- Provide optional info, including image caption(s), photographer credit and relevant tags such as "Earth Day".
- Click Submit and receive a Confirmation page and email.

Submitting an image is optional and encouraged. Uploading images will allow your institution to be included in the 2024 Earth Day image gallery (see the [2023 gallery](#)) and may result in additional recognition. **Thank you!**
